
Computational Architectures Integrating Neural And Symbolic Processes A Perspective On The State Of

computational architectures integrating neural and ... - computational architectures integrating neural and symbolic processes a perspective on the state of the art edited by ron sun the university of alabama
computational architectures integrating neural and ... - computational architectures integrating neural and symbolic processes a perspective on the state of the art author ron sun oct 2013 volume 213 published on 30 jun ...
computational architectures integrating neural and ... - computational architectures integrating neural and symbolic processes a perspective on the state of the art author ron sun jan 1995
computational architectures integrating neural and symbolic processes a perspective on the state of the art focuses on a currently emerging body of research integrating neural and symbolic processes a perspective on the state of the art the kluwer international ...
